Yellowstone County Reports COVID-19 Related Death

Billings, MT – RiverStone Health, Yellowstone County’s public health department, is reporting another Yellowstone County resident has died due to COVID-19 related illness.

On Monday, August 31, a woman in her 50s passed away at her home.

This recent death is reflected on the Friday, September 4 state COVID-19 tracking map.

To protect the privacy of the deceased and her family, RiverStone Health will not release further information.

“I am deeply saddened by the loss of yet another Yellowstone County resident due to COVID-19 related illness,” said John Felton, Yellowstone County Health Officer and RiverStone Health President and CEO. “This is a difficult time for the deceased’s family and friends and I offer my sincere condolences.”

To date, 2,230 Yellowstone County residents have been infected with COVID-19 and 46 have died.
