Yellowstone County Announces COVID-19 Related Death

Billings, MT – RiverStone Health, Yellowstone County’s public health department, reports an additional COVID-19 related death.

On Wednesday, August 12, a man in his 60s passed away in a Yellowstone County hospital.

To protect the privacy of the deceased and his family, RiverStone Health will not release further information about the deaths.

This most recent death is reflected on the August 13 state COVID-19 tracking map.

“Our deepest sympathy to the deceased’s family and friends as they grieve the passing of their loved one,” said John Felton, Yellowstone County Health Officer and RiverStone Health President and CEO. “Over the past months, COVID-19 has cut short the lives of too many, and we wish strength and peace to all who are grieving during this difficult time.”

To date, 1,424 Yellowstone County residents have been infected with COVID-19 and 32 have died.
