Yellowstone County Confirms 15th COVID-19 Related Death at Canyon Creek Memory Care

Billings, MT – RiverStone Health, Yellowstone County’s public health department, confirms that another resident at Canyon Creek Memory Care has passed away. This is the 15th COVID-19 related death stemming from the outbreak at Canyon Creek Memory Care.

On Thursday, July 23, a man in his 80s passed away at Canyon Creek Memory Care.

To protect the privacy of the deceased man and his family, RiverStone Health will release no further information.

This most recent death in Yellowstone County is reflected on today’s state COVID-19 tracking map.

“Our deepest condolence to the de cease’s loved ones. As we say goodbye to yet another Yellowstone County resident, let us not forget that our individual actions make a collective difference. Continue to follow the 3 Ws – wear a mask, watch your distance and wash your hands,” said John Felton, Yellowstone County health officer and RiverStone Health president and CEO.

To date, 820 Yellowstone County residents have been infected with COVID-19 and 21 have died.
