### **Canyon Creek Memory Care Situation Update**

**Billings, MT** – As of 3:00 p.m. today, an additional eight people associated with Canyon Creek Memory Care have tested positive for COVID-19. The eight include six staff members and two residents. New cases will be reflected on the state of Montana COVID-19 case map tomorrow. These newly reported positive individuals bring the total number of people becoming infected to 66 – 21 employees and 45 residents.

RiverStone Health continues to assist Canyon Creek Memory Care in managing the situation.
