Yellowstone County Reports COVID-19 Related Death

Billings, MT – RiverStone Health, Yellowstone County’s public health department, reports that another Yellowstone County resident has died due to COVID-19 related illness.

On Wednesday, November 4, a woman in her 70s passed away in a Yellowstone County hospital.

To protect the privacy of the deceased and their family, RiverStone Health will not release further information.

This death is reflected on the Thursday, November 5 state COVID-19 tracking map.

“I hope the family feels surrounded by much love,” said John Felton, Yellowstone County Health Officer, President and CEO of RiverStone Health. “We extend our heartfelt condolences to the woman’s family and friends.”

To date, 7,447 Yellowstone County residents have been infected with COVID-19 and 97 have died.
