RiverStone Health holiday closing hours

Billings, MT – RiverStone Health will close at noon on Thursday, December 24, to allow our employees to spend time with their families. The noon closing includes all RiverStone Health Clinics, Public Health and the public health information line.

RiverStone Health's free, community drive-through COVID-19 testing site, 2173 Overland Ave., will have regular hours on December 24, from 8:30 a.m. till 12:30 p.m. No appointment is needed for the PCR (molecular) test, which is offered to people who have symptoms of COVID-19 or have been notified that they are close contacts of someone who tested positive.

Rapid antigen tests will be provided on Thursday, December 24, to people who made appointments in advance. No calls for appointments will be accepted on Thursday. Likewise, on Thursday, December 31, no appointments can be made, but people who scheduled in advance will be tested.

People with symptoms of COVID-19 who want to make an appointment to get a free rapid antigen test may call 406.247.3327 between the hours of 8:30 a.m. and 3:30 p.m. on Monday, Tuesday or Wednesday this week and next week. Walk-ins aren't accepted for the rapid antigen test.

The testing site will be closed on Christmas Day, Friday, December 25, and closed on New Year's Day, Friday, Jan. 1. All other RiverStone Health programs and services will be closed on those two holidays.

These holiday closures will delay reporting of some cases on the daily COVID-19 maps at the state health department's website.
